

EPA extends Forestry Buffer Comment Period

The Federal Register notice below officially extends the comment period to [August 12, 2010](#).

The EPA has extended the deadline for comments on the Pitchfork Rebellion's petition to EPA to impose [one-mile buffers](#) around all dwellings and schools for any aerial pesticide application to forestland.

OFS is currently working on a detailed response in opposition to this petition. Terry is also putting together a list talking points to assist others in their comment formation. If you would like a copy of the talking points or have questions about how to submit comments, please send your email request to: terry@ofsonline.org
